Vice President's Message

With the 15th FCA Nationals a month away, perhaps this would be a good time to explain some of the requirements/costs and the part you play as a member planning to attend this or any national or regional convention.

Conditions and costs will vary from one facility to another, geographical location and from year to year. The following information should be considered "general," based solely on my own experiences with hotel management.

The Hotel Contract: After an acceptable facility (rooms/parking/banquet) has been located, a chapter representative negotiates requirements with hotel management. First to be addressed is discounted room rates. In order to receive the lowest possible rates for the membership, a quantity of rooms must be guaranteed for the three-day event. There is no exact method of calculating attendance, so the chapter is at risk at this point! Previous years' attendance is the only guide, and these quantities could vary greatly depending on weather, location and economic conditions.

Negotiations at this point also include the required complementary rooms for registration, hospitality, club store, directors' meeting and general business meeting. Add to these requests parking for 200 cars, 40 trucks, 40 trailers and 30 vendors! You can easily see why the hotel requires a quantity guarantee to protect its interest. Business it has to turn away to accommodate "US" cannot be easily recovered in a short period of time, so we or the hosting chapter have essentially leased the entire facility for three days. The banquet facility and cost of the meal must also be negotiated and quantities guaranteed, but that is a separate issue and will be covered later. The hotel not only requires a guarantee on the exact number of rooms but also places a deadline for those rooms to be reserved. This again is to protect its interest. The normal deadline is 30 days prior to the event.

Should the guaranteed number of rooms not be met by the deadline, it is possible that the hosting chapter would be billed for a percentage or all of the costs agreed upon for the complementary rooms, plus the unfilled rooms that were blocked. The hotel could also reduce the size of the show field (parking lot) in proportion to the quantity of rooms actually used. Not a pretty picture; it is an avoidable reality!

Knowing how the hotel contract affects the success of a convention, one can easily see the importance of early registration. It not only assures you a room, but also relieves the burden from the hosting chapter that is working so hard to show YOU a good time. Should you experience some sort of emergency, you can always cancel your reservations. Check with the facility for its policy concerning cancellation deadlines.

Want to know more about the costs of awards, banquets, T-shirts, sponsors? Drop me a line.

Love ya all,
Marty

You're All Invited

As this message is written at the end of April, car registrations are arriving daily. As you read this, classes will have been split and/or combined, and the finalized class structure will appear in the *Falcon Bulletin* in July. The entire show committee is pleased with the response as well as the friendly comments we have been receiving.

Each participant will receive in the registration packet a dash plaque and a wall plaque with the 15th Annual Falcon Convention logo depicting three different Falcon body styles. The same logo appears on the convention T-shirts and caps.

During the awards banquet, plaques will be awarded in each class for 1st, 2nd, 3rd and 4th place Falcons, as determined by the popular vote. In addition, Best of Show trophies will be presented in each of the Stock, Modified and Daily Driver classes, as well as the Best of Show (overall). The ladies will select the winner of the Ladies' Choice award. Each registered participant will receive ballots for each of the categories mentioned above. Finally, plaques will be awarded for the oldest Falcon and the longest distance driven.

There are just a few days left for you to take advantage of the pre-registration discount, which is in effect until June 15. If you have been hesitating, send in your applications now! Remember also that the hotel will honor the special show room rate for reservations made before June 27.

We keep in contact with the Stouffer hotel about our convention. At the present time, we found out that the hotel is being completely renovated, and the grand reopening will take place before our convention. So everything will be new when we are there in July. We were also informed that the name will be changed from Stouffer, although the new name is not currently available. We hope to announce the new name in the July message. The same management is in place, so the change will not affect us. Instead of looking for the hotel name when approaching the hotel according to the directions furnished, look for the Falcons in the parking lot which will be visible from the road.

Calling All '66 Falcon Owners

Would you like to have your 1966 (1966 through 1969) featured on the T-shirts or awards plaques for the '96 FCA National Convention?

The theme for this convention will be "The '66 Turns 30"; so if you own one, now is your chance. We want *good* 35mm photographs of all '66 models — wagons, Rancheros, sedans Sport Coupes, convertibles, hardtops or Econolines.

Here is all you have to do to make it possible. . .

Photographs must be in color and in focus — car alone, doors, trunk and hood closed. Angle must be a three-fourths view of the car, front or rear, passenger or driver's side. Three-fourths means either the grill or trunk composes one-fourth of the photo and the side of the car composes the other three-fourths. We cannot use a straight on shot because it is impossible to pose two or more cars in this manner. The image of the car must be a minimum of 4" long for detail purposes. To accomplish this, just fill the viewfinder with the car and snap away. The more *good* pictures you send the better your chances. The cars selected will be based on the quality of the photograph only, and none can be returned.

That's all you need to do; find a good contrasting background and start shooting. Photo's will be accepted until September 15, 1994. Get them in the mail to me as early as possible.

Mail to Marty Martin, 2910 O'Henry Dr., Garland, TX 75042-4838.

Our Apologies!

By now everyone should have received the 1993 Convention Book. We hope that you are pleased with the overall look and that it brings back many pleasant memories.

However, between the time the information was received and the time the book was printed, two of the photos got mixed up. Our sincerest apologies to Don Anderson and Mike Dove for the error.

Chapter News

The **Founder's Chapter** held its April meeting at the Western Sizzlin' in Little Rock with 16 members attending and four cars driven. Plans were discussed for their upcoming Fall Regional Meet to be held in Hot Springs, AR, on Oct. 7 and 8, 1994.

Twenty members were present and three Falcons were driven to the April meeting held by the **Mid America Chapter** at Cattleman's Bar-B-Q in Louisburg, KS. The All Ford Show planned for May 15, 1994, was been postponed due to scheduling problems. A new date has not yet been set.

The **Mile Hi Chapter's** March meeting was held at the Hardee's Restaurant with 39 Falcon folks in attendance. A "dessert buffet" following the regular April meeting at the Phil Long Ford Agency. A busy year is planned with many tours and special events in the making.

The **Mason Dixon Chapter** was finally able to have their annual dinner on March 12 (they were under a snow emergency on the original date of Feb. 12!). Mr. and Mrs. Ollie Smith of Smith Ford were among the 42 members and guests enjoying the evening. Many nice door prizes were given away, and a hearty goes thank you to Glenn Stewart, Lynn Jensen and Bob Gerke for making the arrangements. Their 3rd annual spring meeting was at the Grease N' Go. Several visitors/prospective members came by. The day was spend swapping Falcon stories and telling tales of "the one that got away." Thanks to Larry Estell for the setup.

The **Sooner State Chapter** held a recent meeting at the home of Nikki and Mike Bailey. A Mexican style lunch was served. Eighteen members were present with three Falcons driven. Plans are to show as a club in the Mustang Nationals on June 17 and 18 in Mustang, OK. For information contact Jerry Miles at 405/478-1550.
